RELEVANT COURSES

THEORY

Data Structures and algorithms(A+)
Computer Architecture(A)
Operating systems(A)
Linear Algebra(A)
Probability and Statistics(A)
Discrete Maths(A)
Object Oriented Programming(B+)
Theory of Computation(A+)
Introduction to Programming(B+)

LAB

Operating Systems(A+)
Data Structures and algorithms(A)
Introduction To Programming(A+)
Object Oriented Programming(A+)

EXPERIENCE

GEEKHAVEN | Member of Competitive Coding wing
April 2017 – Present | Allahabad, India

- Our aim is to Motivate and Encourage Competitve Coding culture in the college.
- Set and tested problems for multiple programming contests organized in the college.
- Also Built a website for our wing with my teammates. **Link**

PROJECTS

ONLINE ELECTION PORTAL
Sept 2017 – Dec 2017 | Group Project for OOP Course

- Built an online election portal for convienient and safe organization of elections using Java, Swing and SQLite.

ACADEMIC ACHIEVEMENTS

Year	Rank	Event
2017	1st/65	Trihacker-cup programming round(Team of 3)
2017	1st/65	C-fresh programming contest(Team of 3)
2017	6th/49	Insomnia 2017 Onsite finals (MNNIT Allahabad)
2017	48/801	Insomnia 2017 Online Round(Team of 3)
2016	Top 0.5%	Joint Entrance Exam Mains(Out of 1,200,000)
2016	Top 1%	Maharashtra State Board (Class 12)
2016	Top 4%	Joint Entrance Exam Advanced (Out of 220,000)

MISCELLANOUS

- Received Inspire scholarship award from the Government of India for being in Top 1% in the 12th board examinations.
- Solved 338 problems on Hackerearth.
- Solved 143 problems on Spoj with a world rank of 2992
- Current Codechef rating of 2201.
- Current Codeforces rating of 1599.
- Current Hackerearth rating of 1636.

TECHNICAL SKILLS

- Programming Languages :- C (Advanced), C++ (Moderate), Java (Moderate), Assembly (Basic).
- Software Skills :- LaTeX(Moderate), Matlab(basic).
- Operating Systems :- Linux, Windows.
- Database Systems :- SQLite (Basic).
- Programming Environment :- Sublime Text, Netbeans, Vi/Vim.
